

二叉树的前中后序遍历

二叉树

```
const node = {  
  value: 1,  
  left: {  
    value: 2,  
    left: {  
      value: 4,  
      left: null,  
      right: null  
    },  
    right: {  
      value: 5,  
      left: null,  
      right: null  
    }  
  },  
  right: {  
    value: 3,  
    left: {  
      value: 6,  
      left: null,  
      right: null  
    },  
    right: {  
      value: 7,  
      left: null,  
      right: null  
    }  
  }  
}
```

```
// TODO:
```
